Old Friend Jim.

I dont know  
where you are but that makes  
no difference I am going to write  
just the same & trust to luck &  
Uncle Sam to have it reach  
you. You may have heard that  
I was in the land of flowers  
if not this will enlighten you,  
and to give you a better idea  
of our topography, how we live,  
what we are doing & intend to  
do I have this day mailed you  
a copy of the "Florida New-  
Yorker" a map of Orange City  
and a circular or two, by which  
you will see we have waked up  
to the idea of doing something.
