Disney Snacks

Dole Whip - A pineapple – flavored soft-served frozen dessert. Available at Magic Kingdom’s Aloha Isle and the Polynesian Village Resort. This dessert is a favorite among guests, and you can eat it while enjoying Walt Disney’s Enchanted Tiki Room, a show with singing birds, flowers, and tikis!

Churro – A fried dough pastry covered in sugar and cinnamon. Available at churro stands throughout the parks.

Popcorn – Available at throughout the parks, and you can buy different kinds of popcorn in the shops, such as chocolate, caramel, and kettle.

Ice Cream – Everyone’s favorite soft-served dessert, available throughout the parks.

Soft Pretzel – And this kind is Mickey Mouse – shaped! Available throughout the parks.

Dining

Be Our Guest Restaurant – Dine inside the Beast’s castle where you can enjoy quick-service breakfast or lunch, or a sit-down dinner where you are greeted by the Beast himself. There is food for everyone here, and dessert includes the delicious “grey stuff” from Beauty and the Beast!

Jungle Navigation Co. Skipper Canteen – An exotic cuisine based on Magic Kingdom’s Jungle Cruise attraction, where you are served lunch or dinner by the Jungle Cruise’s humorous skip-pers. If you’re interested in trying different foods (it’s an African, Asian, and Latin Cuisine), this is the dining experience for you. It’s quite delicious, but if your child is a picky eater, no need to worry! Kids menus are provided.

Coral Reef Restaurant – Dine alongside the large aquarium in The Seas with Nemo and Friends, where you’ll see over 4,000 sea creatures and 85 species of tropical fish. This aquarium is the largest inland saltwater environment ever built! Located at Epcot.

Character Meal – There are many character meals that you can experience at the parks and resorts, but the most recent one I did was at Magic Kingdom’s Crystal Palace, where you can dine with Winnie the Pooh and his pals. Enjoy an all-you-can-eat buffet!

Disney's Animal Kingdom Lodge

This resort will immerse you in Africa, and in my opinion, the best family's favorite resort because it really makes us feel like we've traveled to Florida and entered Africa. You can gaze at a savannah from your room, and see all kinds of animals such as giraffes, zebras, and gazelles.

Disney's Art of Animation Resort

A resort that will transport you to the world of Disney's Cars, The Little Mermaid, and Toy Story. If you're a fan of Radiator Springs, you'll feel like you're in the heart of Nemo-themed swimming pool, and more.

Disney's Polynesian Village Resort

This resort opened with Walt Disney World in 1971 and offers a tropical environment. Enjoy an exotic luau, a pool with a towering volcano, and an enchanted bar. This resort is located on the Seven Seas Lagoon and offers boat transportation to Magic Kingdom and back.

Disney's Grand Floridian

A Victorian-style resort that offers a classic atmosphere and boat transportation to Magic Kingdom. It features fine dining, and gorgeous views of the lagoon.

Fall

Mickey's Not-So-Scary Halloween Party

Magic Kingdom is transformed with pumpkins, characters dressed in their favorite costumes, and Disney villains. Enjoy trick or treating, Mickey's Boo to You Halloween Parade, the Hallowishes fireworks show, the Hocus Pocus Villain Spell-tacular, and a spookier Haunted Mansion! Feel free to wear a costume to the party but read Disney's costume guidelines before arriving. This ticketed event is on select nights from late August through October.

Epcot International Food and Wine Festival

A celebration of cuisines from all over the world, where you can dine on a variety of foods and wines around Epcot's World Showcase!

Events

Winter

All four parks celebrate the holidays, where you'll see wonderful decorations, from Christmas trees to lights. Characters are dressed in their jolly attire, and the shows offer festive entertainment.

One holiday event is ticketed and on select nights from November through early January, which is Mickey's Very Merry Christmas Party, celebrated at Magic Kingdom where you can enjoy Mickey's Once Upon a Christmas Parade, the Holiday Wishes fireworks show, desserts, and special Disney characters.

Water Parks

Walt Disney World is home to two water parks: Blizzard Beach and Typhoon Lagoon. Blizzard Beach is themed to a ski resort that melted into a wonderland of water.

It's home to one of the world's tallest waterslides. Typhoon Lagoon is themed to a paradise that was hit by a typhoon. This park is home to one of the world's largest wave pools.

ESPN Wide World of Sports Complex

230 acres of professional facilities hosting over 60 sports and thousands of events. Athletes of all ages and abilities can compete, or they can enjoy the excitement as a spectator!

Golf

Walt Disney World is home to four 18-hole world-class golf courses and two 18-hole miniature golf courses.

Tips

If you want to skip the long lines to experience attractions, I recommend either getting to the parks early or staying late after the nighttime shows. Many of the attractions will have short lines and sometimes no line at all at these times of the day.

Three fast passes are available per person each day, and after you use up all three, you are able to book an additional fast pass, and after using that one you can book another!

The Benefits of Staying at an On-Property Hotel

On-property guests have access to Extra Magic Hours at the parks. Extra Magic Hours are sometimes in the early morning and sometimes late at night. It's when the parks are only open to guests staying on property and it's a great time to experience the parks before they get crowded.

On-property guests have the option of taking Disney's Magical Express from Orlando International Airport to a Disney hotel, from the hotel to the airport. Guests have the option of having Disney transport their luggage from the airport to the hotel, and from the hotel and back.

On-property guests can take Disney's transportation system from the hotel to the parks and back.

On-property guests have the option of booking fast-passes 60 days prior to their trip. Be sure to book on the first day possible for the more popular attractions, such as those in the World of Avatar at Animal Kingdom.
