Diversity Scholarship Program

Cole Schotz P.C. is committed to the advancement of diverse law students.ⁱ **We believe that fostering diversity in the legal profession contributes to the quality of the profession and strengthens our ability to serve our clients and communities.** As part of Cole Schotz's continuing commitment to diversity and inclusion in the legal community, we have created the Cole Schotz Diversity Scholarship.

The Cole Schotz Diversity Scholarship is open to a second-year, full time law student in good standing. Consideration is given to the candidate's academic achievement, involvement in community service, social justice activities, demonstrated leadership abilities and advancement of diversity in the legal profession. (These values are weighted collectively; no one value is predominate). The recipient will receive a one-time \$5,000 scholarship.ⁱⁱ

ⁱ We define “diverse law student” as someone who self-identifies as diverse based on skin color, country of birth, religion, gender or sexual identity, disability status, age, veteran status or any other status normally associated with a diverse identity. The phrase also includes non-diverse individuals committed to creating a more just and fair legal profession and society at large.
