

## Become a Racial Justice Student Fellow Accepting Applications Now!

**PROGRAM DESCRIPTION:** The St. Petersburg/Pinellas Higher Education for Racial Equity (SPHERE) Consortium is an officially recognized Truth, Racial Healing and Transformation campus center. This collaborative of institutions in Pinellas County, Florida is unified in the cause to upend established racial hierarchies that oppress marginalized communities. The purpose of the Racial Justice Fellows Program is to place students at the center of efforts to create systemic change, creating a pipeline for students to become involved in work related to antiracist policy and movements, and racial healing and transformation. By supporting fellows financially and programmatically, SPHERE aims to cultivate a new generation of leaders who can help build a more just and equitable society. Students to learn about shaping policy and systems through a racial justice lens, about mechanisms that enable racial healing, and they work on projects in our communities. The program requires up to 60 hours of time per semester and up to 120 hours for a part-time six-week summer internship.

**ELIGIBILITY:** We welcome applications from students attending USF St. Petersburg campus, Eckerd College, Stetson College of Law and St. Petersburg College who have a demonstrated interest in working on issues of racial justice and healing. There is no GPA requirement. However, you must be a full-time student and be available to pursue and participate in racial justice internships in Summer 2023.

**DEADLINE:** August 1, 2022
