

The Palm Beach County Bar Association's  
**Committee on Diversity & Inclusion's  
Diversity Internship Program (DIP)**

The Diversity Internship Program is now accepting applications from law students for summer internships and from legal employers to host an intern for the summer!

Law firms that want to participate, but are unable to offer an internship position at their own firm, may still support the DIP through other means. This includes making a financial donation that will sponsor a salary for an intern employed by a government agency. To make a donation to the program, please [click here](#). Lawyers, Law Firms and Government Agencies that are interested in participating in this year's DIP should [click here](#). If you have questions about the program, please email [DIP@palmbeachbar.org](mailto:DIP@palmbeachbar.org).
