

EDWARD AND BONNIE FOREMAN
BIODIVERSITY LECTURE SERIES

UNPACKING ENVIRONMENTAL RACISM AND ADVANCING ECOJUSTICE

Join us as internationally renowned professor, ecojustice scholar, artist, author, and activist Dr. Rajni Shankar-Brown illuminates ongoing impacts and deep links between environmental racism, climate change, and sustainability. Critical connections to biodiversity and human rights will be shared, with an emphasis on major intersections between systems, structures, policies, and practices. This presentation will weave together research, narrative, poetry, art, history, and current events, while calling on us to collectively advance ecojustice.

Date: February 20, 2024

Time: 12:00 - 1:00 p.m.

Great Hall, Stetson Law Campus

Lunch will be served.
Please RSVP by February 16th.
