

Public Services Contributions to the duPont-Ball Library's FY 2013-2014 Goals

GOAL: Develop Innovative Learning Spaces

OUTCOME: Transition from Print to Digital

- All Public Services librarians participated in weeding the circulating collection
- Government Documents Librarian Barbara Costello weeded over 14,000 documents from the Government Documents collection to make room for a Maker Space lab

GOAL: Facilitate Engagement with Learning Technologies and Develop Information Literacy Skills

OUTCOME: Redesign Library's Instruction and Information Literacy Programs

- Rosie Flowers, Learning & Information Literacy Librarian, started work on a series of online modules to develop information literacy skills
- Rosie Flowers served on the General Education Assessment Committee and helped lead the Information Literacy assessment across the campus.
- All Public Services Librarians created subject and database specific LibGuides to facilitate research and library use

OUTCOME: Redesign Library's Website

- Rosie Flowers, Learning & Information Literacy Librarian, completed a web redesign
