A long-held tradition at Stetson University, Greenfeather originated in 1952 and raises funds to provide a local non-profit a \$10,000 grant. The 2019 Greenfeather Grant Recipient is The Neighborhood Center of West Volusia. The Neighborhood Center is an integral part of the DeLand community that strives to serve the homeless, to feed the hungry and to systematically combat homelessness in all its forms.

The money raised from Greenfeather will be used to build a permanent laundry facility for impoverished members in our community that will be completely free for use.
